

Woodbine Nature Trail & River Walk

Location: Woodbine, GA

This trail is part of the Coastal Georgia Greenway's Rails to Trails program and runs along the old railway in Woodbine from 11th Street north to the Satilla River. The picture is of the trailhead located on Hwy 110. The trail offers a scenic walk, and is paved. There are two comfort stations that offer restrooms and water fountains (for you and your dog!)-one at 8th Street, and one right before the trail meets the river.
